Tasting Notes:

This dry Rosé delights with vibrant aromas of strawberry, grapefruit, and cherry. On the palate, it offers a perfect balance of bright, refreshing acidity and a smooth, creamy finish.

Terroir

This wine is made from 100% estate-grown fruit. Our vines are sheltered in the foothills of Carter's Mountain in the Monticello American Viticultural Area (AVA).

Winemaking:

This dry Rosé is crafted using a combination of direct pressing and saignée methods, achieving vibrant fruit expression with a perfect balance of freshness and acidity. The juice undergoes a slow fermentation in stainless steel tanks, followed by aging exclusively in stainless steel to preserve its crisp character and delicate aromas.
