### Tasting Notes:

True to its varietal character, this Viognier exudes delicate floral aromas, with enticing notes of peach, honeysuckle, and tropical fruits. Its vibrant acidity is beautifully balanced by a hint of natural sweetness, creating a harmonious and rounded palate.

### Terroir

This wine is made from 100% estate-grown fruit. Our vines are sheltered in the foothills of Carter's Mountain in the Monticello American Viticultural Area (AVA).

### Winemaking:

The Viognier was meticulously hand-harvested and gently pressed to preserve its delicate flavors. The juice underwent a cold-settling process before being fermented at low temperatures in stainless steel tanks, enhancing its vibrant aromatics. To retain a touch of natural sweetness, the wine was carefully cold-shocked toward the end of fermentation, halting the process at the perfect moment.
